

August Aces Board of Directors meeting 8/17/09

Starting with guest presentations:

- Ryan Meyer, head of Kit Carson project – Needs a memorandum of understanding in order to proceed with project. Has drafted a MOU (Memorandum Of Understanding) that is similar to the one that the Montiel course has with San Marcos, and it will be sent to the Board Members for revisions/approval.
- Pyramid Breweries – Would like to get involved with as many sponsorship opportunities as possible involved with Disc Golf. He even suggested donating money to the Aces so that we can complete certain projects. His goal is to build a partnership with the Aces so that both the Aces can have major sponsorship assistance and that Pyramid will be able to create and maintain a solid base within the Disc Golf community.
- Steven Thomas, Emerald Isle – There will be a meeting with Skip and ownership of Emerald Isle about lifting some of the restrictions on disc golfers. Also, he is willing to be the Representative for the course for the San Diego Aces. A motion was made to appoint Steven to the position and it was passed.
